SALEM SNEED SAEED ALHARBI
GENERAL CONTRACTING EST.

Salem Sneed Saeed Alharbi General Contracting Est. is a leading Saudi Arabian contracting company delivering comprehensive solutions across industrial, commercial, and infrastructure sectors. We specialize in providing end-to-end services that support the growing demands of construction, oil & gas, petrochemical, manufacturing, logistics, and government sectors throughout the Kingdom.

With a highly skilled workforce, advanced equipment, and strong industry expertise, we provide reliable contracting solutions that ensure project success, operational efficiency, and long-term value for our clients.

Mission

Our mission is to provide exceptional contracting, industrial, technical, and manpower services that exceed client expectations while maintaining the highest standards of quality, safety, and professionalism.

Vision

To become one of the most respected and preferred contracting companies in Saudi Arabia by delivering innovative, sustainable, and high-quality industrial solutions that contribute to the Kingdom's economic growth and Vision 2030 initiatives.

Core Values

Excellence

Strive for the best in all we do.

Integrity

Always honest, always ethical.

Innovation

Embrace creativity for progress.

Safety

Prioritize the well-being of all.

Water Tankers

Scissor Lifts

Boom Lifts

Air Compressors

Air Compressors

A large stack of black steel pipes in a warehouse. The pipes are arranged in multiple layers, creating a dense, repeating pattern of circular openings. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the industrial nature of the scene. The image is framed with a white, torn-edge border.
